## **Important Notice Regarding Tyler ContinueCARE Hospital Application Process**

It is important for healthcare providers to provide a clean, healthy, productive and safe environment, and promote healthy life styles.

Effective July 01, 2011 Tyler ContinueCARE Hospital has implemented a tobacco-free hiring policy.

Applicants will be tested for nicotine as a part of a pre-employment screening. This is a pre-employment test only.

If an Applicant tests positive for nicotine use, the employment offer will be rescinded. Applicants wishing to re-apply after testing positive for nicotine may do so after six months, or later after their initial test.

I acknowledge I have read the above policy and understand my Application will not be considered if I use tobacco products and any offer of employment will be rescinded if I test positive for tobacco use.

This form must be signed and returned with your Application.
